1. Age represents the age a student turns in the 2024 calendar year.
2. Education fees are billed over 12 months. However, final year 15-18 Year AS and/or Si students are billed the annual school fees over 10 months, not 12.

Education fees relate to the cost of the programme for an academic year (Montessori, Cambridge & IAQ) billed over a calendar year. Cambridge and IAQ exits are separately billable programmes. Should a student be on both programmes, both programme costs will be applicable and pro-rated as the case may be.

Programme fees are not discounted /rebated further if a student completes their studies earlier in the academic year.

If a student prolongs their programme pathway beyond an academic year/calendar year then the following year annual programme cost will be charged monthly, over and above the current annual programme cost, until the student completes their submission/exam.

School fees are payable via debit order, in advance, and are to be received on or before the 1st of each month. Generation Schools is a cash free zone.

Two debit order dates will be available to parents to pay for school fees in advance, specifically the 25th and 1st.

Fees received after the 1st of each month will be subject to a late payment fee of R550 per month and interest on outstanding balances will be charged at Prime + 2% per month.

Should fees be outstanding in full or part for one or more months the child/ren may be suspended from school. Should fees be outstanding in full or part for two or more months the account will be handed over to debt recovery attorneys.

If any educational fees are outstanding- optional services such as aftercare and lunch as well as school sport, matches, camps, etc. may be ceased.

Payments to the school are required to be gross of payment gateway transaction costs. Should a debit order be rejected, the account holder will be responsible for the associated transaction charges.

Please quote your 'Child Name & Surname' with your payments.

One school term's notice (3 months), in writing, is required before removing your child/ren from school, or payment in lieu thereof will be required.

Additional costs include but are not limited to external examinations, checkpoints, textbooks, coursework components related to Cambridge and IAQ's, remedial specialists, facilitators, invigilators, devices, calculators, elective extra-mural activities, senior's jacket and dance, camps, workshops, career advisement assessments, bus transport, uniforms, early care, lunch, afternoon snack, aftercare and holiday care.
3. The annual levies are payable in advance on or before 1 January.

The resources that are subject specific e.g. Science, Art, etc. will be billed in the relevant Cambridge exam sitting to ensure fair and commensurate billings based on your child/ren's subject choices.
4. Middle School refers to Stage 7 & 8 or Lower Secondary 1 & 2 in the Cambridge pathway (2 years), which is the 12-15 Phase.
5. The IGCSE and AS Levels refers to the International General Certificate of Secondary Education (IGCSE) 1 & 2 and Advanced Subsidiary (AS) 1 & 2 in the Cambridge pathway (4 years).

If a student commences either the IGCSE or AS levels pathways, the student will be billed according to the relevant pathway and not age.

Cambridge IGCSE and AS external exams are written in the second year of each programme.
6. IAQ Full-time students are campus-based students that learn through the GenEx platform and are supplemented with face-to-face instruction.
7. IAQ Part-time students are home-based students that learn through the GenEx platform with 4 or less campus interaction per pathway per calendar year.
8. IAQ Distance students are home-based students that learn through the GenEx platform and have no campus interaction.
9. IAQ's (International Access Qualifications) are a unique pathway exit offered to students as a powerful alternative to Cambridge/Matric equivalent.

IAQ costs relate to 120 credit programmes.

All IAQ programmes follow a suggested academic timeline but are asynchronous in nature, meaning that a student can progress at their own pace.
10. New 2024 IAQ cohorts will be charged the 2024 fees. IAQ cohorts that commenced before 1 January 2024 will be charged R65,000 pa (8% pa) in 2024.
11. Lunch is optional in 1-6 Phases. Please refer to the welcome pack and family charter for further information relating to our food policy.

Lunch for 1-6 Phases is billed at a lower rate over 12 months and not at its actual rate over 9 school months, which means one calendar month notice to stop/pause is required.
12. Aftercare and holiday care is optional for all phases. Please ensure your child/ren have adequate food to last the school day, including aftercare and holiday care.

Aftercare does not include holiday care. Holiday care is an additional cost and is billed termly.

Students collected after the finishing time will incur a fee of R150 per 15 minutes or part thereof.

Ad hoc rates will be applicable where a service has been used but not selected in advance on the GenEx platform.
13. Early morning care is billed irrespective of the amount of days attended in a particular month.

No early morning care is offered during holidays. Holiday care closing time is 17h00 (not 17h30).

Elective Extra-Mural activities, swimming academy, school photographs and workshops are separately payable activities which will be facilitated via the Karri app, during the academic year.

Please inquire from the campus as to the finishing times of a particular phase.
18. The Cambridge exam fee structures are published separately.
19. Billing options can be amended on the GenEx parent portal. Otherwise, all finance queries to be directed to the finance department, either to your specific finance administrator and/or accounts@generationschools.co.za.
